

BEFORE THE TENNESSEE REGULATORY AUTHORITY

NASHVILLE, TENNESSEE

May 5, 2003

IN RE:

**PETITION FOR APPROVAL OF
AMENDMENT TO INTERCONNECTION
AGREEMENT BETWEEN BELL SOUTH
TELECOMMUNICATIONS, INC. AND
NETWORK TELEPHONE CORPORATION**

**DOCKET NO.
03-00143**

**ORDER APPROVING SIXTH AMENDMENT
TO INTERCONNECTION AGREEMENT**

This matter came before Chairman Sara Kyle, Director Pat Miller, and Director Ron Jones of the Tennessee Regulatory Authority (the "Authority" or "TRA"), the voting panel assigned to this docket, at a regularly scheduled Authority Conference held on April 24, 2003, to consider, pursuant to 47 U.S.C. § 252, the Petition for approval of the sixth amendment to the interconnection agreement negotiated between BellSouth Telecommunications, Inc. and Network Telephone Corporation.

The original interconnection agreement between these parties was filed on July 26, 2001, and was assigned Docket No. 01-00659. It was approved at a regularly scheduled Authority Conference on September 25, 2001. The first amendment was filed on August 8, 2001, under Docket No. 01-00696 and was approved at a regularly scheduled Authority Conference on October 9, 2001. The second set of amendments was filed on April 9, 2002, under Docket No. 02-00390 and was approved at a regularly scheduled Authority Conference on June 11, 2002. The third set of amendments was filed on May 3, 2002, under Docket No. 02-00505 and

was approved at a regularly scheduled Authority Conference on July 23, 2002. The fourth amendment was filed on July 24, 2002, under Docket No. 02-00808 and was approved at regularly scheduled Authority Conference on September 9, 2002. The fifth amendment was filed on October 2, 2002, under Docket No. 02-01108 and was approved at a regularly scheduled Authority Conference on November 18, 2002. The sixth amendment, which is the subject of this docket, was filed on February 19, 2003.

Based upon a review of the sixth amendment, the record in this matter, and the standards for review set forth in 47 U.S.C. § 252, the Directors unanimously granted the Petition and made the following findings and conclusions:

- 1) The Authority has jurisdiction over public utilities pursuant to Tenn. Code Ann. § 65-4-104.
- 2) The amendment is in the public interest as it provides consumers with alternative sources of telecommunications services within the service area of BellSouth Telecommunications, Inc.
- 3) The amendment is not discriminatory to telecommunications service providers that are not parties thereto.
- 4) 47 U.S.C. § 252(e)(2)(A) provides that a state commission may reject a negotiated agreement only if it “discriminates against a telecommunications carrier not a party to the agreement” or if the implementation of the agreement “is not consistent with the public interest, convenience or necessity.” Unlike arbitrated agreements, a state commission may not reject a negotiated agreement on the grounds that the agreement fails to meet the requirements of 47 U.S.C. §§ 251 or 252(d).¹ Thus, although the Authority finds that neither ground for rejection

¹ See 47 U.S.C. § 252(e)(2)(B).

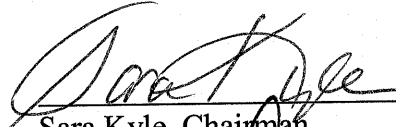

of a negotiated agreement exists, this finding should not be construed to mean that the amendment is consistent with §§ 251 or 252(d) or, for that matter, previous Authority decisions.

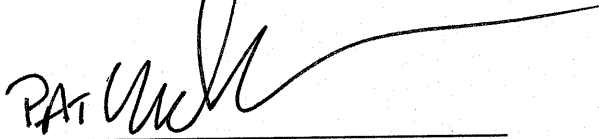

5) No person or entity has sought to intervene in this docket.

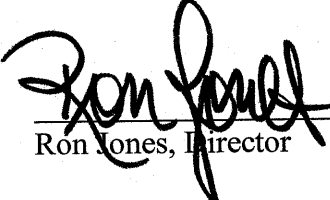

6) The amendment is reviewable by the Authority pursuant to 47 U.S.C. § 252 and Tenn. Code Ann. § 65-4-104.

IT IS THEREFORE ORDERED THAT:

The Petition is granted, and the sixth amendment to the interconnection agreement negotiated between BellSouth Telecommunications, Inc. and Network Telephone Corporation is approved and is subject to the review of the Authority as provided herein.

Sara Kyle, Chairman

Pat Miller, Director

Ron Jones, Director
